“ It is seldom, if ever that we can find time in our busy schedules to compliment or recognize individual accomplishments: But for one reason or other we can find the why and wherefore for criticizing. However, Jim, this is not one of those times.

Through my home improvement business transaction with you, I have learned you, and I have learned of your sincere concerns of your customers and what is in their best interests, which in many ways could be considered beyond the expected and normal duties of a Sales Representative as well as a Contractor. For these and many other reasons, I decided that it was indeed appropriate that I write and say “Thank You”. You have given much of your talents, and have more than fulfilled what was expected of you on the work that has been completed in my home.

It goes without saying Jim, that your honesty, dedication, and exemplary performances will make Jim Rashid one of the finest Builders in the area, and I consider it a privilege to have associated with an individual of your caliber.

Once again, I thank you sincerely and wholeheartedly for your outstanding work. Have a good day and a nice forever,
Sincerely, ”

“ Awww, I just shed another tear of joy. Gonna need a bucket soon.

We be happy. No leaks. We're getting some shelves and stuff up, and getting rid of the leftovers. We discussed our overall experience and we would definitely call you first next time around. The basement really needs attention, but it has to wait for a while.

Thank you for your professionalism, your attention to the particular needs of the customer, and the kind of people you hire to get the various jobs done.

Now don't let it go to your head. (You didn't expect me to stay serious for more than 20 seconds, did you?) Stay safe, stay brave.

“ Jim,

Just a note to let you know how happy I am with the way my roofing and siding project turned out. The craftsmanship is superb! I mostly appreciated the way you kept me informed every step of the way on the status of the project. From financing approval to weather updates, I never felt “out of the loop.” Communication is the key in all relationships whether is be with a friend, spouse, co-worker or even with one's contractor - thank you!

One more thank you for your professionalism and honesty. You and your family are wonderful. Here's to your continued success! ”

John Nens – (Novi, Michigan)

“ Jim,

Thank you for your professionalism and attention to detail on every facet of our job. You were very courteous and hard working and showed up on time. The work site was always left clean after each work day. We have many other projects which include kitchen remodeling, bathroom remodeling, and the construction of a new 16' x 12' shed in the backyard, as well as ceramic tile work, and subsequent living room remodeling that we will be hiring you for, after the first of the year in 08.

Thanks again for everything. We are so excited about showing off your fine work. Have a Merry Christmas and Joyful New Year. ”

Ken and Wendy Dignan – (Whitmore Lake, Michigan)

“ I have been meaning to write you a short note to you regarding my appreciation for the work you have done for me. I was impressed about the high quality of your work at reasonable prices. I was also impressed with your show of patience shown to your son as he learns your skill and trade.

My only regret is that I did not know you years ago when I had to have some work performed on my home . I would highly recommend you to anyone who is considering having home repairs or work done on their homes.

Also, I would like you to do some repairs in the near future. As you may recall, my basement windows (4) need repair. At your convenience, please give me an estimate for them, and when you may be able to do the repairs.

Again, I thank you for your service and the high quality of workmanship you provide.

Sincerely, ”

Jim Rowell - (Novi, Michigan)

“ Jim & Kevin,
Thank you for transforming my bathroom into exactly what I had envisioned! You guys are great, and I look forward to future projects together.

Sincerely, ”

John Nens - (Novi, Michigan)

“ Jim,

Thank you for coming to our home to give us a quote on upgrading our master bath. We look forward to receiving your quote. I have to say you have some very professional people in your company and I liked them very much and they did excellent work. I'm so sorry it had to be re-done, but the hot water heater was clearly defective.

Thank you again for your help. We look forward to working with you again and I have actually given your name to a couple friends who want a reputable company with integrity. I told them our experience and that may be a catalyst for more business. It's always good to be a man of integrity and honor – it pays in the long run. Thank you for that.

Sincerely, ”
